IV. What if your Registration Key shows Failed?

- If you haven't use the Registration Key before, you can contact the Registration Key provider to confirm if the Key has been used by other guests.
- 2. If the Registration Key has been used before (You used the invitation code in the second step of the "Registration Process," which took you to the next step of entering personal information for the registration process).
- Because the Registration Key becomes invalid once it is linked to an account, if you exit halfway through filling in your personal information, you can click on "Guest Center" at the top right of the webpage and log in with the account that you just linked with the invitation code. After logging in, you can continue to complete the personal information filling and submit your registration.
